VAN DYKE WINS FOR TAX COLLECTOR BY NARROW MARGIN OF FIVE VOTES

Contest and Libel Suit Loom as Aftermaths

With all precincts heard from yesterday evening, Volney Van Dyke had won the contest for tax collector by the narrow margin of eight votes. This morning the margin was reduced to five by revised returns.

This fight was the sensational feature of the county campaign. It had been conceded that the result would be close and results fully bore out the dopesters' forecast.

Whited to Contest

Charles Whited, of Willits, Van Dyke's opponent, will insist on a recount and a contest, according to reports current as the Dispatch went to press last evening.

Libel Suit to Be Instituted

In the Van Dyke camp there is talk of a suit for libel against a Willits resident, who is credited with sending out a circular during the last three days of the campaign. In the circular the statement was made that Van Dyke was, to quote from the circular, "connected with the office of tax collector when it went under," two years ago, which statement was an untruth.

Reynolds Wins Easy Victory

The write-in campaign instituted by Ed Wright against F. W. Reynolds for the office of assessor netted Wright approximately 1644 votes against 4076 for Reynolds.

Patton School Superintendent

The other contest on the county ticket was between Fred Patton and Frank L. Caughey for school superintendent. Patton won an easy victory, his plurality being 1292 votes with all but four precincts in.

Wright Act Stands

The Wright act was leading by a plurality of around 20,000 votes, according to incomplete returns from the entire state.

The one-cent gasoline tax has been beaten.

The Los Angeles highways bill is snowed under.

The fate of the farmers' reapportionment bill is in doubt, with indications favoring its passage.

The two-cent tax on oleomargerine was snowed under. Among other measures lost were the racetrack bill, the Water and Power act, the Bible in Public Schools measure, the proposal to pension judges and the raise in salaries of state officers.

John Preston a Winner

John W. Preston, according to advices from San Francisco last evening, had won the supreme judgship by about 50,000. Preston, who is a former Mendocino county man and a brother of Superior Judge H. L. Preston of this city and of H. L. Preston, well known Fort Bragg banker, did exceedingly well in this county, getting 5562 votes out of a total of 6136 cast for the office in 86 precincts in last evening.

Point Arena Constable Has Hard Sledding

According to advices from Point Arena, Constable Jakway, who had no opposition, won by the narrow margin of half a dozen votes against

LEGIONNAIRES PREPARE FOR ARMISTICE BALL ON NEXT THURSDAY EVENING

Anniversary to Be Observed With Appropriate Exercises During Morning

A fitting recognition of America's participation in the World War is indicated by the arrangements of the American Legion for celebration of Armistice day, November 11, according to Donald R. Smith, general chairman. Veterans and Legionnaires from over the county will be in Ukiah on November 11, to assist the local post of the American Legion in their activities.

"We are fortunate in securing the services of Representative Lea," said Dr. Smith. "The program for Armistice day will consist of a parade in the morning, composed of Spanish and Civil war veterans, World war veterans, firemen, three troops of Boy Scouts, school children, and other organizations. Following the parade, the Legion will conduct the flag raising at the cemetery, and will return to hear Mr. Lea speak from the steps of the courthouse.

"In the afternoon Ukiah and Mendocino high schools will stage a football game for the people of Ukiah as well as the visitors.

"In the evening the Armistice ball will be held in the grammar school auditorium and we can assure you that you will be pleased with the music and the entertainment that is to be offered. Horace Greer's Californians, have been secured to furnish the music. A representative of the Legion visited this orchestra at the Elks' club in Oakland last Saturday night and reports that the music is excellent. The special feature which is to be offered during the evening will be interesting, but we are not giving out details in order that it may be a surprise for the guests.

"The support that is being given to the Legion in preparation of the program and in the purchase of tickets shows the way in which the people of this community are behind the Legion and the things it stands for. We feel that this year's Armistice day program will be the best ever offered by the Legion."

Miss Sue Bowman is the guest of her sisters in Ukiah this week. Miss Bowman will go from here to San Francisco where she will be entertained by sisters who are residents of that city.

Mrs. D. C. Smith has gone to the bay region for a visit of a week with her sisters. She will return Sunday.

CHRISTIAN CHURCH PLANS MODERN HOSPITAL HERE

Contemplated Improvement Includes in Addition New Church Building and New Parsonage

Rumors that the Christian church congregation of Ukiah is planning to erect an up-to-date hospital have been rife for several weeks. It now begins to look as if the proposition would be put through, and if it is, it deserves the whole-hearted support of the entire community. Ukiah's greatest need at the present time is an adequate hospital. The Christian church has a piece of property ideally situated for the purpose and the plans are beginning to take definite shape.

In an interview given the Dispatch Wednesday, Rev. A. A. Doak of the church said:

Plans are being materialized for the building of a new church and parsonage facing on School street and a three story hospital facing on W. Standley street. An under roof driveway starting on School street on the north side of the churches 120 foot front will encircle the entire lot with the exit on the west side of the 80 foot front on Standley street. The church, parsonage, hospital, and driveway will all come under one architectural plan and under one roof.

The church, which will be separated from the hospital by soundproof walls, will be modern in every respect.

The charter for the hospital will provide that 25 per cent of all beds will be entirely free. The hospital shall always be run upon a non-profit basis, separate and apart from the doctors' fees over which we have no control.

The Christian church people who are launching this movement and who are assuming the responsiblity of running it feel that Ukiah with its surroundings should have an adequate and modern hospital and that our doctors deserve a modern workshop and that the inconvenience of hospital facilities and the thousands of dollars going from ours and surrounding communities to the bay city and the enormous sums paid for hospital service warrants and justifies this movement, and that they will be able in this way to render a service most commendable to God and humanity.

More complete and authentic plans will be submitted to the public within a short time.

MASTER LAUNDRY SOLD TO COUPLE FROM CARMEL

E. S. Masters this week sold his laundry to Wm. and Lou Mack, of Carmel. Mr. and Mrs. Mack took possession of the property Wednesday and are now conducting the business.

The Master laundry, known as "The Electrified Laundry," is one of Ukiah's latest business ventures. Into the selection of its equipment Mr. Masters put the benefit of a lifetime of experience in the laundry business and Mr. Mack stated to the Dispatch Wednesday that it is the finest small laundry plant in California, and one of the finest and most complete he has ever seen. The plant opened for business several months ago.

The Macks themselves sold their laundry at Carmel at a big figure recently and after looking around decided to locate in Ukiah, having fallen in love with this city and its environments.

They are solid and substantial business people and will be a welcome addition to the community.

Mr. Masters will devote himself to his ranch interests.

CALPELLA CELEBRATES OPENING OF NEW BRIDGE

The people of Calpella held high jinks last Monday evening to celebrate the opening of the new bridge which crosses the river at that point. The structure replaces the old one about half a mile further up the river.

The new bridge was decorated with flags and electric lights and its floor served for dancing purposes. Barbecued veal, cooked Italian style, was the piece-de-resistance of the supper.

A huge bonfire was built, round which the crowd gathered to listen to speaking by Judge Preston, Hale McCowen, Jr., C. A. Bernhard and Supervisor Ford and others. W. H. L. Morgan, mayor of Calpella, acted as chairman of the evening.

C. D. Tindall and wife, of Boonville, were visitors to the county seat Wednesday. Mr. Tindall is a well known rancher of that section.

CUNNINGHAM RETURNS FROM EASTERN VISIT

Ukiah Fruit Operator Tells of Market Conditions in Big Centers

Poor Grape Pack Responsible for Low Prices to Local Growers

E. L. Cunningham of the firm of Cunningham & Thomas, representatives of the Earl Fruit Company in this territory, has just returned from the east, where he went a month ago to investigate the auction markets for California products.

Mr. Cunningham visited the markets in Chicago, New York, Boston and Philadelphia. On all of these markets he saw California grapes offered for sale.

He was impressed with the condition in which California grapes arrived in eastern markets. Three factors determine in those markets prices offered for grapes: the method of pack; sweetness of grape; absence of red berries.

Mendocino county grapes varied in pack. Some boxes were full, some crushed, some slack. These grapes compete with sections accustomed to the table pack, which is superior to the juice grape of this section. Packers accustomed to handling table grapes, make a better pack of juice grapes. This pack affects the eastern buyer. Red berries in the pack, Mr. Cunningham designated as "dynamite." He believes it would be most profitable to growers to pick over twice, aiming at uniform pack and quality. All other qualities of fruit are thus picked and packed. Mr. Cunningham saw one car load sell at $1.10 a box and within five minutes another of the same grape went for $2.25, the difference being in the pack and condition of grapes.

Observing that the larger berries from irrigated districts brought prices in eastern markets, Mr. Cunningham purchased 25 boxes of Mendocino grapes, and 25 from San Joaquin. These he had crushed to demonstrate to buyers that though smaller in size Mendocino county grapes were superior in quality to the larger berry.

One factor that impressed Mr. Cunningham through all the markets was the small margin at which the buyers turned over the fruit. They sell at a profit of from six to ten cents per box. The aim is to turn over each buy the day of purchase, regardless of the size of the margin

FRANK SANDELIN DIES FROM INJURY IN S. F.

Frank Sandelin, well known hotel man of this city, passed away in San Francisco last Sunday night. He had been visiting in San Francisco on business and while descending the stairs at his hotel slipped and fell, striking the back of his head on the floor. The accident happened Thursday. He sustained a fracture at the base of his skull and although all was done that medical skill could accomplish his life could not be saved.

The remains were brought here and funeral services were held by the Masonic lodge Wednesday at noon, after which the body was shipped to San Francisco for cremation.

Mr. Sandelin was a native of Finland, where he was born October 13, 1866. He came to this country at an early age and settled eventually at Fort Bragg, where he engaged in the hotel business. Some twenty years ago he came to Ukiah and bought the Palace hotel, which he has conducted very successfully.

He leaves a widow, a son and two daughters, all of whom have the sincerest sympathy of all in their bereavement.

DIST. ATTY. HURLEY IN AUTO ACCIDENT

District Attorney J. C. Hurley was thrown from his car and received numerous bruises and cuts last Monday evening when the machine went over the grade below Hopland and turned over twice. He was brought here and received medical attention. It was feared for a time that he had received internal injuries, but after staying in the hospital for observation several days, he left for Santa Rosa yesterday to join Mrs. Hurley.

The car was badly wrecked.

FIREMEN'S BALL TO BE GIVEN NEW YEAR

The firemen at their meeting this week decided to give their annual New Year ball. The affair, as usual, will take the form of a masquerade. Plans are being made to ensure this year's ball being the usual success.

This will be the 43th annual ball to be given by the fire department.

MEETING IN DECEMBER CALLED FOR DEBATE OF FARM MARKET PROBLEM

To consider the problems of the farmer, and more particularly with relation to the marketing of farm produce, a meeting of farmers, stockmen, merchants and professional men will be held in Ukiah in December. The date will be definitely set as soon as prominent speakers have been secured. The objective is to bring here several men who have given this fundamental problem exacting study. The ultimate plan is to form a county-wide committee from the farm bureau, chambers of commerce, bankers, merchants, etc.

Every farmer and every business and professional man and representatives of all the banks should make every effort to attend this meeting.

The interests of this county lie in farming and stock raising, outside of the redwood interests. The welfare and prosperity of all classes, in every line of activity, are absolutely dependent upon the price the farmer receives for his product. The marketing problem, therefore, more than any other problem, is of county-wide interest. Too small a proportion of the consumer's dollar reaches the farmer. The price the consumer pays is high enough, in many instances, too high. And yet the net to the grower is so low that farming cannot really be carried on with a fair profit. Farm produce goes through too many hands in reaching the consumer, and each of these hands levies its tribute.

The problems of the farmer today do not center around production. They are marketing problems. Marketing is a business and in this county the marketing of farm produce is a business on which all the various interests of the county depend.

The farmer owns the land, grows the crop and then turns it over to others to market. If there is a return in red ink the farmer gets the bill. Generally speaking the red ink the farmer pays is the balance due the middleman for getting the farmer less than nothing for his crop. If some of these middlmen can be eliminated it will perhaps mean the elimination also of red ink.

It is time also to consider the speculation by buyers of the farmers' produce and to consider the financial standing and integrity of those who ask the farmers to intrust to them thousands and thousands of dollars.

This problem is nation wide. It has been tackled and handled by separate communities. It is worth a good try. Watch for the date of this meeting and decide to attend.

Mrs. Frank Cunningham went to San Francisco Tuesday to meet her husband, who arrived in the city that evening from the east. Mr. Cunningham has been in the east for a month.

Miss Frances Joseph was home from U. C. the past week end. Miss Margaret Cox is expected home tonight to spend the week end with her mother.

UKIAH HI HOLDS FEDERALS' TEAM TO EVEN SCORE

(By CLAIR ELLEDGE)

Put to their first real test of the season, Coach Bradshaw's Wildcat pigskin packers last Saturday came through with a display of power that surprised even themselves. The guests of honor for the game of "Now-you-step-on-my-face" were the Santa Rosa Federals, a gang of bruisers built along the general lines of the Ferry building and Eiffel tower, and who had beaten the Santa Rosa, Petaluma, Analy, and Healdsburg high schools without having been scored upon. Yes, indeed, things pointed to a rather busy afternoon for Coach Bradshaw's charges—and it was busy—dern busy! The Wildcat "hammering herd" was outplayed as to yardage gained and on first downs accounted for, but not in the matter of stiffening up at the critical moments. The final result was a 6 to 6 tie but the visitors had to step high, wide, and handsome in the last five minutes of play to keep from being handed a 6 to 0 lemon. The fact that Coach Bradshaw sent five of his substitutes into the argument for some needed ex-

BOONVILLE MAN INJURED IN PECULIAR ACCIDENT

John Fenton, of Boonville, was brought to Ukiah yesterday by H. J. June suffering from a punctured intestine. An operation was performed yesterday afternoon by Dr. Van Allen, but peritonitis already had set in and Fenton is in a very grave condition.

Fenton was one of the members of the Boonville election board. Tuesday night, while the board was counting the votes, he stepped out into the darkness to get a load of wood with which to replenish the fire. While returning with the load he stumbled into an excavation where the highway laborers had taken out a culvert and fell heavily with his abdomen across the load of wood. He complained of severe pain following the accident. Yesterday his condition became so alarming that he was brought here for examination, when the puncture was discovered.

J. W. Eversole went to San Francisco Tuesday on business.

The Wool Growers

This week Friday and Saturday some of Mendocino county's foremost sheepmen are to be in attendance at the annual meeting of the California Wool Growers' Association at the Palace Hotel in San Francisco.

At this meeting these sheepmen will represent an industry which represents an investment of well over a million dollars in Mendocino county and in which this county stands eighth in the State. The industry as a whole—sheep and wool—brings into the county a revenue of well over a half million dollars a year. Wool production alone is valued at $360,000, according to figures compiled for 1924 by the U. S. Department of Commerce.

Mendocino county sheepmen's interests are among those we are glad to serve.

The Rambler

The dance the Saturday Afternoon club gave last Saturday night could really be called beautiful. I don't know when I ever saw the adultorium so artistically decorated. Someone worked out a wonderful general scheme and then many hands and great effort executed it. It was a splendid party, but,—it deserved much better music.

* * * * * *

The next big affair is the Armistice day ball. Have you your tickets? You may be sure that every detail is being carefully considered. The only possible fault one could find with this annual affair of the Legion is that the auditorium is too small.

* * * * *

How do you direct your hate? Is it toward people? Then I feel sorry for you. Is it toward injustice, toward ugliness, toward filth? Then I join in with you.

* * * * *

The Boy Scouts are now a well established institution in Ukiah. Let us get behind the movement to organize the Camp Fire Girls. Miss Toles, Miss Fuller and Miss Magill are the leaders. They are capable and anxious to be of service. We know what scouting has done and is doing for the boys.

The speed limit for automobiles in Ukiah is fifteen and twenty miles per hour, but under no circumstances over twenty, never twenty-five or thirty.

"Though the doctor is sure
And his charges are high
He whom medicines cure
Was not fated to die."

During the last world series, a little boy lay sick in New York. The doctors had given up hope, he was sentenced to die. And then one day a ball was given him autographed by Babe Ruth, with a message from the great slugger that he would hit a home run for him. The boy clung to the thread of life waiting for the great Ruth to keep his promise. That afternoon the bat met the ball squarely and over into the grandstand it flew. Ruth had made good. While the boy was clinging to life waiting, the crisis passed and the boy lives. What a beautiful true story!

Score one for the Methodist church. It gave an entertainment in the school auditorium last week. It was not heralded as a beggin affair "for the benefit of." With the thousands of laws we have I'm tempted to ask for another, to compel other organizations to follow the fine example set them. I have organized a Nuisance Club. The membership thus far is limited to reformers, beggar organizations and street ticket vendors. It has a pretty large membership already, don't you think?

* * * * *

Governor Richardson was almost unanimously defeated at the special session of the legislature. If he had won the nomination his program would have carried unanimously. And there you are. A politician simply must be on the band wagon.

* * * * *

Did the election go to suit you? I have long since ceased to worry much about the outcome of an election. If the outs get in, it means that *someone* else has the job. If the ins stay in, it means that they keep them. All the people do is to placidly continue paying the bills.

* * * * *

Complaints are now coming in about campers cutting trees, for tent poles, table legs, fir bough beds. If camping places are to be preserved some action will have to be taken. Another law, I suppose. Why is it that some people have to be such ordinary fools?

* * * * *

Here is a new one on me. "Many who multiply the most have not sufficient intelligence to add."

* * * * *

I knew a man who had a brilliant mind. He didn't like to hunt or fish, or play golf or cards, or to grow flowers or vegetables. He is dead, aged forty-two. I knew another man who could have developed a brilliant mind. But, he didn't like to do anything but hunt, fish and play cards. He is dead too, and buried in the Potter's Field.

* * * * *

When the necessity is great, the genius of man finds a means. This is but another way of saying that necessity is the mother of invention. We need not concern ourselves about heat, light or power for the generations yet unborn. So long as the sun shines and moisture is lifted from the sea and deposited on our mountains there will be energy for billions of people where we now have millions. We have not yet made a beginning toward utilizing our water resources.

* * * * *

I do not like to kill, except those hings that are needed that I might live. We must kill for food and clothing and we must destroy pests and nuisances. But why go further? Between those needed for man and those which might be classed as enemies of man, there are millions of different species of living things. Some are beautiful and some are ugly. Do they not prize their lives, even as we prize ours? By their wanton destruction we gain nothing. Perhaps for the moment we have a superior sense of strength or power. But my mind proves it to me without the necessity of actual demonstration.

* * * * *

If you are so busy going where everyone else goes, buying what everyone else buys, and talking about the same things as everyone else, when, if you please, do you find time to think? The answer is that many of us have just stopped thinking.

* * * * *

There are people who will do almost anything to get publicity. Communities often spend large sums to advertise themselves. Is it not a fact though that the person who does his job well, day after day, never thinking of publicity or honor or glory, has his good work carried on the four winds? I am thinking of John B. Ruschetti, city marshal of Fort Bragg. Barney realizes that the best way to keep boys out of mischief in their idle hours is to keep them occupied. His club now has a membership of 140 boys. In a quiet and unobtrusive way he is doing the job at hand. Without thought of publicity, Barney and his club and his town are being advertised over the entire country. It is just another case of making a better mouse trap.

POTTER VALLEY

POTTER VALLEY, Nov. 3.—Mr. and Mrs. Alden Crafts of Berkeley were week end guests at the home of Mr. and Mrs. Chas. Hardisty. Mrs. Crafts was formerly Miss Alice Hardisty and a popular bride of last summer. They were accompanied to Potter by Mr. Henry Crafts, of Oakland, who is remaining at the home of his mother for a few days.

A. F. Busch was a business visitor to Willits last Friday.

Paul Franks, who has been the manager of the Irvine & Muir Lumber Company's store for the past three years, left Saturday for Los Angeles, where he intends to reside. Mr. Franks is succeeded by Mr. Freu Lavendar.

Mr. and Mrs. Herbert Pickle and son, Harry and Miss Gladys Spotswood, spent Sunday with friends in Lake county.

Fred Anderson, vice-president of the Kirkman Nurseries of Fresno, and his brother, Clyde Anderson, of Albion, were Sunday guests at the home of their cousin, Mrs. Chas. Hardisty.

Ukiah visitors Saturday included Mrs. R. R. Ingels, Mr. and Mrs. John Hopper, C. B. Neil, Misses Muriel and Martha Neil, Ruth Howard, Mrs. Chas. Hardisty and Miss Ethel Hardisty.

Mr. and Mrs. Alvin Whittaker and Mr. and Mrs. Pet Coble came in from their mountain homes to attend the Foresters' party Saturday night.

Mr. and Mrs. Ferris Moulton and family of Oakland, were guests last week at the home of Mr. and Mrs. R. R. Ingels.

Mr. and Mrs. Vane Thornton and family have again come to Potter to reside after a residence in Arcata of a year and and a half. They were accompanied by Mr. and Mrs. Salvia Vanover. Mrs. Vanover was formerly Miss Vivian Thornton. Their many friends here are glad to receive them back.

On Friday afternoon between the hours of six and eight Mrs. Louis Hansen, Mrs. P. B. Westerman and Miss Ethel Hardisty were hostesses to the pupils of the first, second, third fourth and fifth grades. The party which was a Hallowe'en party, was held in Mrs. Hansen's large garage. The garage had been changed into an Hallowe'en fairyland with greens, witches, goblins, bats and black cats. The supper which consisted of sandwiches, cookies, apples, candies and chocolate, was served at small tables which were gayly decorated with jack-o'-lanterns and Hallowe'en place cards. Those who assisted the hostesses serve included Mrs. Spencer, Mrs. Grover, Mrs. Brower and Mrs. Ingels.

In the afternoon at the school house Mrs. Spotswood entertained her room with an excellent party. The room was suitably decorated for the occasion and many of the guests came in Hallowe'en costume. Mrs. Spotswood was ably assisted by Mrs. Taylor Eddie.

A reunion of the Hughes family was held two weeks ago at the home of Mr. and Mrs. John Hughes. A buffet luncheon was served to the following guests: O. R. Hughes and family, L. L. Hughes and family, Raymond Starr and family, Bert Brock and family, Garing McGee, Rev. and Mrs. McGee, Edward Walker and family, Mrs. Mary Coble and Fred Extel.

Mr. and Mrs. J. M. Whitcomb and Mr. and Mrs. Percy Whitcomb were over from Willits on Tuesday.

Frank Gibson submitted to an appendicits operation last Thursday night. He is convalescing nicely now.

The Foretsers gave a most enjoyable party in the Grange hall last Saturday night.

Mr. and Mrs. Alvin Whittaker and Mrs. J. J. Dashiell drove to Ukiah on Monday.

Miss Dorothy Carner of this valley and Vernon Cordier of Oakland, were united in marriage in Oakland on last Saturday. The bride is the daughter of Mr. and Mrs. C. A. Carner and is well known here. For the past year she has been working in Oakland. The best wishes of their friends here are extended to the young couple.

Church services were held in the local church both morning and evening last Sunday. Mr. MeGee will preach again next Sunday morning. Mr. Holland in the evening read the life story of Chas. Carey. The following double quartet assisted him; Mrs. Herbert Pickle, Miss Martha Neil, Mrs. J. J. Dashiell, Mrs. McGee, Herbert Pickle, C. A. Carner, and P. B. Westerman. Miss Ethel Hardisty presided at the organ.

HOPLAND NEWS

HOPLAND, Nov. 3.—The benefit card party given Friday night for the fire department was a very successful affair both socially and financially. The department are planning a number of interesting affairs for the winter months which the public is looking forward to with great pleasure.

Mr. and Mrs. Van Harpe went to San Francisco Sunday, taking their little son, Lawrence, to the Children's hospital where he underwent an operation on his arm. Lawrence had the misfortune to break his arm a couple of weeks ago, the break being of such a serious nature as to necessitate it being plated. He will have to remain in the hospital two weeks.

Mrs. F. A. Harmon and daughter, Lila, went to San Francisco where Miss Lila underwent a serious operation at the St. Joseph's hospital. We are glad to report her condition very satisfactory.

The P. T. A. will hold its regular meeting Friday afternoon at the grammar school and on Wednesday afternoon of next week they will hold a meeting of the Literary club. After the meeting cards will be enjoyed the remainder of the afternoon.

Al Henderson was a business visitor to Healdsburg Tuesday.

Mr. and Mrs. Jackson are enjoying a two weeks' vacation in Sacramento.

Mrs. Bettie Duncan, of Willits, is enjoying a visit with her sister, Mrs. Wm. Duncan.

Mrs. F. W. Dooley and Mrs. Mattie Bailhache motored to Healdsburg Tuesday.

Mrs. Gladys Day, of Los Angeles, is enjoying a visit with her brother.

Mrs. Mattie Bailhache was a visitor in San Francisco for a few days the first of the week.

Mrs. L. Robison was a business visitor to Ukiah Tuesday.

Mr. and Mrs. C. E. Doty were visitors to Lake county the first of the week.

Mr. and Mrs. Floyd Gibson, of Oakland, were up the last of the week for a few days' visit with local relatives.

Mr. and Mrs. Emery Liston enjoyed a few days' visit in San Francisco last week.

Mrs. Harold Buckman, of Redwood valley, was in town Tuesday for a short visit with friends.

Mrs. F. W. Dooley and Mrs. E. A. Vassar motored to Ukiah Wednesday.

A Small, Sluggish Closed Car
or
A Big, Peppy, Open Car ?

The open car, of course—it's stylish. But many feel that they have to buy a smaller closed car for weather protection.

There was some excuse for doing so before Glassmobile was invented.

Now with Glassmobile it is possible to have the larger, faster and sportier car and all-year comfort and convenience as well.

ROUND VALLEY

COVELO, Nov. 3.—Mrs. G. M. Biggar has returned from San Diego where she attended the state Eastern Star convention as a delegate of the local chapter. She accompanied Mr. and Mrs. A. H. Thomson of Willits. The trip was made by motor and a total milage of 1654 was registered. Mrs. Biggar reports a most delightful time both at the convention meetings and on the trip.

Roy Welsh and wife are here from Alameda visiting Mrs. Welsh's sister, Mrs. Hoxie, and brother, Mrs. John Grist. Mr. Grist is still slowly gaining in strength.

Jim Foster, Jr., was up from Willits to vote and to visit his family.

The chicken pie dinner served by the Dorcas Aid Society on election day was a big success socially and financially as well as from an epicurean standpoint. About 200 plates were served, netting the ladies close to $100.

The Round valley consolidated schools are working toward the purchase of a moving picture machine for use in the grades and high school. Up-to-date steel playground equipment will also soon be a realized dream for the boys and girls of the grades.

Dr. G. K. Osborn received a message, Saturday, informing him of the death, that morning, of his sister, Mrs. Wheeler, of Pocatello, Idaho. Mrs. Wheeler and another sister were planning a visit with the doctor and Mrs. Osborn, some time this month. The community sympathizes with Dr. Osborn and family in their bereavement.

Horace Spurlock returned Tuesdaf from San Francisco, where he underwent an operation removing his tonsils. He is recovering nicely.

A deal was recently consummated whereby Messrs. Ray and Robin Bauer acquired the H. J. Sherburn range and Mr. Sherburn took the 400 acre ranch of Bauer Bros. in and adjoining to the valley, where Ray Bauer is now living. The newly purchased tract, together with that already owned will make a range of some 6,000 acres for Bauer Bros. Mr. Sherburn and family will move into the valley about March 1.

The ladies who were selling homemade candies on election day and each evening after Chautauqua wish to thank all who so liberally patronized the candy table. An entire sack of sugar, donated by Geo. Ells, by the way, was made into candy and disposed of. As a result of their efforts the kiddies of the primary department of the Presbyterian Sunday school will have the pride and joy of sitting on real kindergarten chairs. Mrs. C. S. Foster is superintendent of that department and was at the head of the enterprise.

Mr. and Mrs. Frank Spurlock will leave today for Santa Rosa where they will be met by their son, Carl, wife and baby, of Fairfield, Solano county. The party will motor in Carl's car to Fullerton, near Los Angeles, where Carl will attend the state convention of county horticulturists. After the convention the Spurlocks will continue a sightseeing trip as far south as San Diego. Returning they will visit Frank, Jr., and wife at Whittier. From there Mr. Spurlock will return home while Mrs. Spurlock will remain for a longer visit, and also visit her daughter, Mrs. Zora Gantz and family at Oakland on her return.

Clark Hill of Humboldt was here recently visiting his brothers, Raymond and Tom Hill. While here, Raymond and the visitor went out on a bear hunt. As is well known, Raymond seldom goes that he doesn't come in with the game, and this time the trophies were three bear,—two black and one brown; captured on Black Butte creek near the Firebaugh ranch. One, a cub was captured alive, but while they were rejoicing over the prospect of displaying the find, Mr. Bruin, evidently dreading the ordeal of meeting the rest of the Covelo nimrods, threw back his head against the rope and fell over dead. While Mr. Hill enjoys the sport of hunting for bear, he is also rendering a service to the cattle and sheep men in ridding the hills of bear and panther.

On Saturday afternoon Mrs. Archie Moore gave a most delightful party to about 25 little folks of the primary department of the Presbyterian Sunday school. The youngsters were dressed in crepe paper costumes and caps in keeping with the Hallowe'en. The long table was decorated with a centerpiece of a house surrounded by witches, black cats, etc. In this house were tiny baskets of candy, each with a ribbon leading to the covers laid for the little guests. Pulling the strings to secure the baskets caused much hilarity. Games dear to the hearts of the little ones were indulged in, including pumpkin rolling out of doors.

Mrs. Moore was assisted by Mrs. Robt. Lovejoy and Mrs. C. S. Foster.

Another season of Chautauqua has come and gone—and the local committee find themselves in the clear financially. Covelo has never had a deficit. The play, "Across the Street," is generally conceded to have been the best of the five programs. It was a fine play, well put on. At this writing it is not known whether the 40 signers will be secured to insure the Ellison-White Co. a renewal of the contract for next year.

LAST SPLICE OF NEW TELEPHONE CABLE LINKS S. F. AREA WITH SACRAMENTO

The new long distance telephone cable, of The Pacific Telephone and Telegraph Company between the San Francisco bay area and Sacramento was formally dedicated Thursday, October 28, when G. W. Peltier, president of the Sacramento Chamber of Commerce, and Clay Miller, president of the San Francisco Chamber of Commerce, exchanged greetings for their respective cities, in the first call routed through the new cable. Earlier in the day the last splice in the big cable was made at Cordelia, with public and company officials participating.

This cable, costing in the neighborhood of $2,500,000, had its initial inception in 1923, and has been under active construction for the past twelve months. It was conceived and completed in order to meet the constantly increasing service demands which have come about as the result of the growth of the bay region and Sacramento and environs. The long distance cable spans a distance of 90 miles and is routed by way of Oakland, Crockett and Carquinez Straits to Sacramento. It carries 275 talking lines between the bay area and Crockett and 135 talking lines through to Sacramento. This number of lines can and will be materially increased as occasion may require and will eventually care for all service to Sacramento and points north and east as far as Portland, Seattle, Chicago and New York.

Forty thousand miles of wire, or enough to go more than one and one-half times around the earth are contained in this cable; it weighs about 2,000 tons and is suspended upon 2,000 poles. A specially constructed building at Crockett will house approximately 100 repeaters. The function of these repeaters or boosters is to so boost conversations over the wires as to make audibility comparable with local calls of shorter distances. Four separate sections of specially designed submarine telephone cable are included in the construction, two in San Francisco bay, one across Carquinez Straits and one across the Sacramento river at Sacramento.

The service demands between the San Francisco metropolitan area, Sacramento and tributary points have steadily increased during the past few years and in order to provide equipment for the growth of this territory, telephone experts have made every endeavor to plan ahead in order to meet the resulting requirements, which are fulfilled by this project.

RESOLUTIONS OF RESPECT
In Memory of Judge J. M. Mannon

WHEREAS, it has pleased Almighty God in His wisdom to take from our midst Hon. J. M. Mannon, a former Judge of this Court and a beloved member of this Bar, and translate him to the Supreme Court on High, and

WHEREAS, because of his learning, impartiality and justice as a Judge; and his ability and fidelity as an advocate, and his uprightness, integrity and helpfulness as a citizen he was held in the highest respect and esteem by this Bar, and by the people of the entire community,

NOW THEREFORE, be it resolved by the Bar of Mendocino County assembled to pay its tribute of respect to its esteemed brother, that in the death of Judge Mannon, it has lost a member of high distinction, and the cause of justice and righteousness a strong and untiring advocate and exemplar, and the community a most worthy and honorable citizen.

AND BE IT FURTHER RESOLVED, that a copy of these resolutions be spread upon the minutes of this Court and that a copy be transmitted to the family of our departed member, and that when this Court adjourns today, it do so out of respect to the memory of our departed brother and friend.

REDWOOD VALLEY GRAMMAR SCHOOL

(By GERTRUDE TURULA)

The first meeting of the seventh and eighth grade class organization was called to order on October 21, 1926 by our president, Henry Buchholz. The following were elected: Vice-president, Esther Wainio; treasurer, Cecilia Van Voorhies; secretary, Herman Rutler.

The following are the season's baseball games played by the boys and girls of our school:

Boys' Games	Score
Redwood-Potter	11- 3
Redwood-Potter	16- 8
Ukiah-Redwood	10- 2
Ukiah-Redwood	10- 1
Ukiah-Redwood	15- 6

Girls' Games	Score
Redwood-Potter	16-13
Redwood-Potter	21-21
Redwood-Ukiah	20- 9
Redwood-Ukiah	53- 3

The honor students last month were: Esther Wainio, Henry Buchholz, Herman Rutler, Uno Niemi, Florence Miller, Eleanor Fernbach, and Charles Johnson.

Miss Tornwall's room won the attendance banner, having an average attendance of over 95 per cent.

Miss Pritchard's, Miss Tornwall's and Miss Reynold's room won the punctuality banners, having no tardy pupils for the month.

The children very much enjoyed helping the P. T. A. with their entertainment Friday evning.

Miss Lillian Tornwall was called away from her teaching by illness. Mrs. E. Banks has taken her place.

FOOTBALL

perience in these final moments, was all that saved the Federals from a whitewashing.

The first half of the game was scoreless, with honors about even. The Federals began an attack late in the first quarter that continued into the first part of the second period and brought the ball to Ukiah's two-foot line. They couldn't bust through, however, and the Wildcats began a drive of their own that carried them to the Federal 19 yard line. Trout tried a field goal from this point, but failed.

Early in the third quarter, the locals, starting from their 42 yard line, ran up four successive first downs that brought them to the visitors' 6 yard line. Ritchie was held for no gain on the next play. Minetti made 3 yards and Ritchie pushed the ball to the 2 foot line. On the fourth down Ritchie plowed through center to put the ball over by inches. Try for point failed. Score, Ukiah 6, Federals 0.

In the last period, after Coach Bradshaw had shoved a number of his second-squad men into the game, the Federals got under way for an offensive that couldn't be checked. They started exactly at midfield, and, without losing the ball for four successive first downs, they came to Ukiah's 6 yard line. On the next play, Richardson went off right tackle for a touchdown. Try for point failed. Score, Ukiah 6, Federals 6. The game ended soon after.

Captain Minetti, star halfback, and Ritchie, fullback, did most of the hoghide handling for the locals, with "Red" Trout frequently making good gains on criss-crosses. In 17 tries, Minetti advanced 68 yards for an average of four yards per try. He never failed to gain when he carried the ball. His defensive work was above reproach, also. Ritchie was playing the only game in which he will be eligible this year and he was given plenty of odd jobs to do. His 72 yards in 21 attempts shows that he most decidedly did not lay down on the job. He was also a son-of-a-gun on defense, smearing a number of opposition plays that sifted through the line.

"Bun" Hoenig, the elastic Wildcat quarter, called his plays nicely and played as good a defensive game as any man on the field. "Red" Trout at the other half station, worked well on the criss-crosses.

The center of Ukiah's line, made up of Ganter, center and Lampi and Mikkiia, guards, performed as efficiently as ever throughout the game. Very few gains were made by the visitors at those points, and the "Three Musketeers" tore holes through the Federals, large enough to drive a Mack truck through.

Noonan was the biggest threat of the Federals. He accounted for 128 yards on 35 times that he carried the ball. Richardson also gained consistently, registering 68 yards in 16 attempts. The Sonoma boys used their passes to very good advantage, gaining 50 yards by the aerial route. The Clapp to Richardson pass was the most effective.

The Wildcats go to Fort Bragg to take on the Lumberjacks for what promises to be a rip-snortin' affair. The local boys have the best chance of defeating the coasters that they have had for nearly four years, and they are working hard to polish up the rough edges. They are rapidly settling down to a smooth, machine-like action and their trick plays are very deceptive. Their line, especially in the center, is very strong, and in Minetti they have the snappiest line-plunging halfback in Mendocino or Sonoma counties. The big job that remains to be done is the building up of a passing attack. They have been miserably weak in this department and have acted as though they were afraid to use any aerial offense in their games thus far. Their end runs can also stand some brushing up. And one other thing—about three of the first-string line-up had better cut out some of the form of entertainment that has proven so interesting to them on one or two occasions of late.

BEAUTIFUL DANCE

Hallow'en dance of Saturday Afternoon club, held Saturday evening, was a genuine Hallowe'en celebration. The hall was beautifully decorated; it has never appeared more beautiful. It showed thought and work and artistic ability. Each unit was one of beauty in itself; the ensemble was worth more than just a passing glance.

There was a good crowd, a jolly crowd, full of life and ready for a good time. It had in it the makings of a wonderful dance. But the music was hopeless. Dancing to it was like running a threshing machine, even for the lightest hearted.

Why should home talent be patronized when it is not first-class? Those musicians were well paid. An outside orchestra of high standard could have been hired, which would have lifted that dance into the most enjoyable one of the season.

FAREWELL SURPRISE

Mrs. Will Van Dyke was hostess yesterday at a farewell surprise party complimentary to Mrs C. J. Beckley. Mrs. Van Dyke received the guests at her home in S. Oak street, including in the list old time friends of the guest of honor who have been associated with her in church work. Mr. and Mrs. Beckley are leaving Ukiah within the coming fortnight to make their home at Alhambra. They have been residents of this valley for more than thirty years and have many close friends who contemplate their departure with sorrow. They are going south to make their home near their sons.

A score of friends greeted Mrs. Beckley yesterday. The hostess decorated the home in autumn flowers and bowls of bright colored fruit. A delicious supper was served. Old time friends who surprised Mrs. Beckley were Mesdames Templeton, Eversole, Glazir, Williams, Steiert, Demeritt, Nat Beckley, Heap, Holland, Giles, Raffety, Luce, Sanford, Ray Folster, Toles, Van Allen, Holzhauser, De Motte, Thompson, W. S. Van Dyke, Sr. Mrs. Beckley was presented with an electric toaster as a farewell gift. The afternoon was most enjoyably spent over needlework. A short program of music was contributed.

BAZAAR NOVEMBER 12 HELD IN NEW CHURCH

Over radio election night intermingled with election returns, came the announcement from Washington, D. C. that reindeer meat would be put on the market in this country. The announcer added that Donner and Blitzen and others of the tandem Santa Claus team would not be sacrficed in the slaughter.

November 1st calls attention to the fact that the Christmas load for Donner and Blitzen must be in process of preparation. In this community, most forehanded in the work are the Federated Women of the Methodist church.

The first event in the new Methodist church will be the holiday bazaar to be staged in the new social hall of the church, Friday afternoon and evening, November 12. This bazaar will far surpass in scope any that has hitherto been given for many miles around. It is the first bazaar under the auspices of the Federated Women which includes in its membership not only numbers but some of the most capable women in this city. Because it is the initial event in the church of which they are justly proud, the women have made gigantic efforts to present a bazaar worthy of the occasion and the cause for which it is given. For many weeks sewing groups have met one day after another, planning and working for this event.

There will be a wide choice of fancy work, aprons, miscellaneous articles, dolls, candy, home cooked food. Dolls, that first aid to Santa Claus, will be made a specialty. Every size and description will be for sale and at reasonable prices. The White Elephant booth will be an interesting one.

Added to the attraction of the bazaar excellent programs will be presented afternoon and evening. The names of those who have these programs in charge is guarantee of the performance. In the afternoon at 2:30 o'clock a program will be given by children under the able direction of Mrs. H. O. Cleland and Mrs. Mayme Taylor. Mrs. E. B. Gibson has charge of the program for the evening's entertainment.

"ORDERED TO THE FRONT" WILL SET NEW AMATEUR STANDARD

Tonight at the grammar school auditorium the much looked for performance of the great drama of the late war "Ordered to the Front," will be given by Haswell Little Theatre Co. under the sponsorship of the N. S. G. W. This play is for the benefit of homeless children and the Boy Scouts.

The drama is filled with stirring scenes of action—has plenty of comedy and tears will mingle with laughter. A special stage setting shows the exterior of the home of a millionaire German located on the Hudson a few miles from New York City. The house with its great white columns is a copy of the old home of the Schuyler family of revolutionary fame, located at Tarrytown. Special lighting effects will be introduced that will give the entire production a professional finish that is seldom obtained in amateur theatricals.

The cast has been selected with great care, Miss Una Elyse Raffety being cast for the old German mother whose heart is torn by her love for the land of her birth and duty to the land of her adoption. Miss Raffety in this difficult role will have many opportunities to show her emotional ability. Miss Virginia Barker will be seen as the girl who sends her sweetheart to the front, a part entirely different from any she has ever appeared in before. Miss Barker will wear a wig that is an exact copy of Miss Pickford's famous curls. Charles Moffitt will be cast for the part of the German diplomat while Adolph Heinrichs will be seen as a German banker who is in the secret service department of the U. S. government. Buddy Haswell, the director's young brother, will be the boy who is ordered to the front and Mr. Haswell will play the role of the German whose heart is with the Fatherland. Those who have witnessed the rehearsals say that a new standard will be reached in amateur productions in tonight's play.

It was through the activity of the Native Sons that the Scouts were organized in this community. They have risen to an organization of which the community is justly proud. The Scouts have lent a helping hand on many occasions the past two years. This is the time to show appreciation of their endeavors and endorsement of the ideals for which they stand.

FIRM BELIEVERS IN TOPSY'S METHOD

Only five women took advantage of the first lecture in the course on "Care of the Child" being given in this city by Dr. Lela Beebe of the state department of hygiene. Forty high school girls heard the first lecture given by Dr. Beebe on pre-natal care.

The progress made in child hygiene during the past decade has been one of the greatest advances in medical history. It is an astounding fact that so few women are interested in such vital matters.

The lectures are being given each Thursday afternoon for six consecutive weeks at Ukiah grammar school.

ROTARY DINNER

Rev. and Mrs. L. C. Beasley will entertain at dinner this evening the members of the board of directors of Rotary club and their wives. These dinners are held monthly at the homes of the directors and are followed by a business meeting of the board and a social hour among the women. All of the board members will be guests this evening with the exception of Orval Tadlock.

NEW RESIDENTS

Mr. and Mrs. Brice Houdeshell and their three daughters have established their permanent home in this city. Their former home was in Arlington, Ohio. They came west by automobile, making the trip in seventeen days. The travellers experienced wonderful weather throughout the entire trip. Brice Houdeshell is a brother of C. J. Houdeshell who recently established himself in business in this city. Both families are located in the George McCowen home which is now a handsome double apartment.

DINNER PARTY

Mr. and Mrs. E. W. Stephens entertained at a beautiful Hallowe'en dinner preceding the dance last Saturday evening. The guests were received at the Stephens home on Clay street and taken to the Palace hotel where dinner was served in the private dining room. The brilliant colors and fantastic shapes of the season prevailed in the decorations of the table and the room. Flaming red hot pokers were combined with French marigolds in the center adornment of the large table which seated a score of guests. Other appointments carried out the Hallowe'en idea.

HALLOWE'EN FESTIVITIES

Both senior and intermediate leagues in the Methodist church celebrated Hallowe'en in the time honored manner. The seniors were entertained at the Frank Toles home, about twenty-five young people joining in the games and Hallowe'en superstitions and stunts.

The juniors had the run of the large E. J. Sanford home, which was made as spooky as possible with all kinds of jack-o'-lanterns and weird figures. The juniors are just the age to enjoy to the full all the Hallowe'en traditions. Both homes were elaborately decorated and careful preparation had been made for the pleasure of the young people.

BRIDGE PARTY

Mrs. Donald R. Smith entertained four tables at bridge at her home Wednesday evening. Chrysanthemums in varied tones decorated the home for the party. Among the guests were Mrs. Theresa Ray, Mrs. M. J. Sloper, Mrs. Frank La Porte, Mrs. Irving Brazier, Mrs. L. H. Foster, Mrs. Ernest Hawn, Mrs. Bessie Cox, Mrs. Floyd Banker, Mrs. S. L. Rea, Mrs. F. E. Rea, Mrs. A. C. McKenzie, Mrs. Louis Hildreth, Mrs. E. B. Gibson, Mrs. W. E. Williams, Mrs. Lula Atkins, Mrs. W. D. L. Held, Mrs. G. W. Stout, Mrs. E. J. James, Mrs. Harold Holliday. The prizes in the game were won by Mrs. W. D. L. Held and Mrs. Louis Hildreth.

SEWING CLUB

Mrs. R. D. Colville entertained the members of one of the season's sewing clubs at her home last Friday. Hallowe'en decided the form of decoration. This club will lose a member in the departure of the Ed Michelsons for Eureka, where they will make their future home. Mr. Michelson leaves tomorrow and Mrs. Michelson and the family will follow in a few weeks.

LUNCHEON GUESTS

The old fashioned lavender tones predominated in the charming luncheon decoration when Mrs. Robert McGarvey entertained Fortnightly club Wednesday. Lavender chrysanthemums, nut cups, candles and place cards of the same beautiful shade made an exquisite table. The guests played bridge in the afternoon. Mrs. F. E. Rea held the highest score and was awarded the prize. Mrs. Arthur McCoy of San Jose, a niece of Mrs. Stout and Mrs. Brown, was a guest at the luncheon. This club meets as the name denotes.

Christmas dolls, all sizes and shapes, Friday afternoon and evening, November 12.

Mrs. Eb Cox, of Orrs Springs, underwent an operation for appendicitis last Friday in this city. Dr. S. L. Rea was the operating surgeon. Mrs. Cox is improving steadily.

Mr. and Mrs. Fred Smith, C. P. Smith and Mrs. Mabel Hirsch motored to San Francisco Wednesday of this week.

Ukiah Girl in Rotagravure

The rotagravure section of Sunday's Chronicle carried an attractive picture of Miss Margaret Cox, a sophomore in the University of California. The picture showed Miss Cox, in company with two classmates, at work on a macaw. The work is being done in a course on ancient history in which Miss Cox is enrolled.

This beautifully displayed picture, viewed by many thousands, gave no hint to the lay mind of its objective. It was part of the gigantic advertising scheme by which the University of California appealed to the public for support of the tenth amendment. Just the line, "A temporary tin museum houses the University of California's bird collection" placed beneath the picture, was relied upon to help stamp "Yes" opposite the amendment by means of which the university asked the people of California for millions of dollars to be devoted to the erection of new buildings. It pays to advertise!

CUNNINGHAM RETURNS

(Continued from page 1)

of profit. He believes that buyers in general would turn over the fruit at the auction market should a small margin of profit be offered there. Grapes retail on less profit than any other fruit. They are sold at auction direct to retail buyers. The buyers he termed the greatest gamblers on earth.

The railroads are spending millions of dollars in these eastern centers to provide satisfactory receiving docks for California fruit. Chicago has a six million dollar auction house; two or three million dollars are being spent in Philadelphia and a big proposition is under way in New York. In Mr. Cunningham's opinion the fruit is handled well at the auction centers. Each day's shipment is handled completely before 3:00 o'clock in the afternoon. Fruit is landed from the cars in the auction houses. In New York about 700 buyers are on hand at 4:00 a. m. The auction bulletins, giving lists of fruits, sizes and names of growers, are gone over and the fruit to be auctioned is examined and data for the auction block recorded by the buyer. The first bid is for choice which gives the bidder the choice of the car. Buyers are wary of a poor pack. A reputation for a good pack often means a good bid without even examination.

Mendocino county pears have the best reputation on eastern markets. The outlook in the east is for a large supply of pears at moderate prices. The real consumption of fruit is by the middle classes.

Mr. Cunningham made the investigation of eastern markets that he might witness at first hand every step of the process which put California fruit into eastern homes. He believes that the knowledge gained will enable him to ship fruit under more profitable conditions.

J. E. Wallach was over from Boonville on a short business trip Wednesday.

Reserve December 6th for the high school play.

MARKET REPORT

Review of livestock market for week ending Tuesday, November 2, 1926.

CATTLE: Liberal supplies, a hand to mouth buying policy dressed, continued warm weather, monthly inventory period and recessions in pork and lamb carcasses served to hold the cattle market barely steady for the week with unloads around 3,000 possibly 900 included from packers' ranches. California furnished 60 cars, Oregon 10, Nevada 35 and Arizona 3, Utah unloads this week around 20 cars with two loads of Colorados. The practical top on 1200-1225 lb. dehorned fed Californias was $8.50, being for special trade and for five loads to sweeten up coolers for one concern which usually has their own supplies. The greatest inquiry occurs for good smooth well finished dehorned 950-1050 lb. steers and the bulk of these figured around $8.40-$8.55 with some on lengthy shipment and shrink upwards to $8.65 off the cars, including 10 cars 1070 lb. northern Californias and 10 loads of Utahs. Medium grades have been in comparatively light supply with only occasional loads around $7.50-$7.75, very few steers on a cash basis below these figures. Five loads no rest and water 892 lb. medium Nevadas $8.00. Good dehorned thick 905 lb. heifers from Utah scored $7 with part cars, odd head Arizonas and Californias $8.35-$6.65

HOGS: Unloads 7,000. Spring crop pigs arriving, several loads 125-135 lb. Idahos, medium grade $14.75 with good 170-180 lb. California butchers $15.00. Good 225 lb. butchers $14.50 and smooth light sows $12.75, heavy $11.75. Around 10 loads 190-200 lb. Eastern butchers cost $15.00-$15.25.

SHEEP: Unloads 8,500, buying activity somewhat curtailed, some concerns trying to relieve congestion own feed lots. Looking for choice 70-75 lb. lambs, supplies 75 lb. upward liberal. Under 75 lb. full wooled clean choice lambs quotable $13.00. Choice shorn 70-75 lb. Californias $11.75-$12.00, barge loads 79-82 lb. medium wooled, medium to good grade $12.00, 82-85 lbs. bid $11.50, close inspection account differences in pelt values. Ten decks fed 78 lb. lambs grading choice in meat arrived from Stockton. Costs unable to be figured account sizeable strings back. Good 115 lb. ewes $6.50, weighty 130 lbs. $6.00 and part car cull ewes $2.00-$4.00.

FORGET

—the little things that harass you, the little troubles that break your spirit.

Tune in and "Listen with closed eyes" and the ancient Magic Carpet is no longer a fairy tale. Yet its glory is not one, two, three with the modern magic of the *ORTHO-SONIC*.

Your slippers and easy chair and the "Wonderbox"; a little tuning of a single dial—and lo, you reach the Land of Enchantment.

There is a Voice reviewing the news of the world and you are transported joyously from one magnificent adventure to another until you are no longer that drab individual—You. You are really living.

The ball game, the horse race, all glamour and color. The opera!—and there is suddenly the haunting sweetness of a crowded scene. Flowers, white, tense shoulders, marvelous jewels, flood your consciousness in dreamy reverie. An orchestra is playing. There are white lights, gay cafes, light laughter, jazz. *There are no longer four walls in that room.* It is a real *living* room. Life trails her splendors and her mysteries there.

The voyage captures and holds your spirit. You are more fit. Life is easier. You are refreshed.

You owe yourself this deliverance. Install a Federal *ORTHO-SONIC* Radio in your *living* room and remember—Radio is the Magic Carpet—glorified. Federal *ORTHO-SONIC* is the ultimate in radio.

Peach Twigs and Scientific Planning

THE peach twig dips downward, so many believe, when held over underground water supplies. So firm is the faith of some people in its supposed infallability that they never undertake the labor and expense of digging a well without making a test for hidden water with this natural divining rod.

In preparing for the growth of telephone facilities to meet future demands, there is no peach-twig substitute for foresight. All expenditures of labor and money must be based on scientific planning. Careful studies must be made of present and future conditions in the locality to be served. Probable population and the volume and nature of telephone traffic must be estimated years ahead. Plant must be made capable of expansion. Capital must be arranged for in advance if growth is not to be delayed.

One of the vital phases of the Bell System's task of providing America with a nation-wide, universal service is that of foreseeing and providing for the future needs of the nation.

HUDSON-ESSEX CLIMBING IN FAVOR OF MOTORISTS

With the new Hudson and Essex cars meeting a warm response, business has gone forward at a record pace, according to Roy D. Chapin, chairman of the board of directors of the Hudson Motor Car Company. With 28,700 cars shipped the company had the biggest August in its history exceeded by more than 1,000 cars even the spectacular August record of the 1925 season.

"Hudson officials feel this is all the more gratifying because the factory—instead of taking the customary summer-season shut-down—went ahead with normal operations all through June, July and August. This quarter-year therefore has seen the production of more than 70,000 Hudson and Essex cars," according to J. H. Duncan and C. H. Wilkinson of Hudson-Essex Motor Sales, Hudson and Essex dealers in Ukiah.

The new $10,000,000 body plant has made possible the building of steel bodies in the coach type which are not only the most rigid and enduring, but which also are highly pleasing in appearance. This has created an added popularity for both Hudson and Essex coaches. In the Hudson line there are also the de luxe brougham and sedan type of cars, which are proving widely popular all over the country.

The new shutter control for cold weather driving is also a big feature in these lines.

Mr. and Mrs. Tony Barra and son, Calvin, of Stockton, have come to this valley to make their permanent home. They are guests of Mr. and Mrs. J. Rovera of Calpella for the present.

RAILROAD COMMISSION INSTITUTES HEARING ON COAST ELECTRIC RATES

State Body to Investigate Charges and Practices of Fort Company

The Railroad Commission has instituted proceedings on its own motion to investigate the rates, services, rules, regulations and practices of Fort Bragg Electric Company and Peoples' California Hydro-Electric Corporation applicable to the latter company's electric light and power business in Mendocino county. Examiner Fankhauser will hold a hearing in the two proceedings on November 22 at 9:30 a. m., in the city hall at Fort Bragg.

The Commission's order in the case of the Peoples California Hydro-Electric Corporation reads as follows:

"It is hereby ordered that an investigation be and the same is hereby, instituted on the Commission's own motion to determine whether the rates, charges, practices, rules and regulations, or any of them, of Peoples California Hydro-Electric Corporation, a public utility, applicable to its electric light and power business in Mendocino county are unjust, unreasonable, discriminatory, or preferential in any particular and to determine the just, reasonable and sufficient rates, charges, practices, rules and regulations to be observed and enforced by said utility in said county and to fix the same by order."

Recently the Commission has authorized the Mendocino Electric Light and Power Company and the Fort Bragg Electric Company to sell their properties to the Peoples California Hydro-Electric Corporation. The properties of the Mendocino company have been transferred to the Peoples Hydro-Electric Corporation, while the properties of the Fort Bragg Electric Company may be transferred prior to November 22, the date set for the hearing in the proceedings involving the rates, charges, practicse, rules and regulations applicable to electric light and power business in Fort Bragg, Mendocino and vicinity.

CAST OF "GREATER GLORY" REACHES LOFTIEST LEVELS

Anna Q. Nilsson, Conway Tearle, May Allison, Ian Yieth, Lucy Beaumont and Jean Hersholt scale new emotional heights in "The Greater Glory," June Mathis' colossal screen epic for First National, which had an amazing premiere at the State theatre last night.

June Mathis herself reaches a new high level of screen production. The woman responsible for "The Four Horsemen," "Blood and Sand" and other master films, outdoes herself in "The Greater Glory." It is truly for her a "greater glory." Curt Rehfeld, a new director, likewise establishes himself in an enviable position as a result of this gigantic screen achievement.

"The Greater Glory" is an adaptation of the celebrated novel, "Viennese Medley," which was written by Edith O'Shaughnessy, wife of an American diplomat in Vienna. The stirring episodes in the film production are authentic. The noted authoress lived through them all.

"BLARNEY" BASED ON CLASSIC STORY BY DONN BYRNE

What "The Iron Horse" was to the story of the early railroads, and "The Covered Wagon" to the westbound pioneers, the Metro-Goldwyn-Mayer picture, "Blarney," is to the bare knuckle days of prize fighting.

The picture, which comes to the State theatre Saturday, has been enacted by a notable cast. The story itself, which was written by Donn Byrne and appeared in The Saturday Evening Post, is considered the classic of the prize ring.

EXCEPTIONAL ATTRACTION BOOKED FOR SUNDAY

An unusually strong heart-interest story has been chosen by the management of the State theatre for presentation Sunday. The title of the picture is "Mismates."

The story is a gripping one and has been screened in an elaborate way. It is filled with drama, clean comedy, beautiful settings, and dazzling, exotic spectacles.

Interpreting the story on the screen is an unusually brilliant coterie of film luminaries. Heading the cast are Doris Kenyon and Warner Baxter in the featured roles. Supporting them are Philo McCollough, Mae Allison, Charles Murray, John Kolb, Maude Turner Gordon, Nancy Kelley, Cyril Ring, Charles Beyer, and others.

"POTASH & PERLMUTTER" COMEDY BRINGS NEW FUN

In the last adventures which Samuel Goldwyn and Montague Glass saw fit to expose to the public, of Potash & Perlmutter, these worthies were worrying through a dabble in the motion picture production game. In the new episode in their hectic career as business associates, "Partners Again," coming to the State theatre Tuesday, they are pooling their wits and resources in the "distribution" of a new automobile, the Schenckmann Six.

They distribute it, too—all over the landscape. They find, however, that carburetors, transmissions, differentials and clutches are much more complicated and even more exasperating than the movies' vamps and yes men.

George Sidney and Alexander Carr, playing the title roles in this production, have never been so happy in opportunity for real comedy-making as in this particular comedy. And that they improve "each shining hour" will not be doubted by motion picture audiences.

COMIC SATIRE SHOWS MONTA BELL ABILITY

Monta Bell, who is responsible for such cinematic gems as "Broadway After Dark," "The Snob," "The King on Main Street" and others, has found a new field for his efforts.

In "The Boy Friend," his latest Metro-Goldwyn-Mayer film coming to the State theatre Wednesday Bell has one of the most charming satires in years.

"The Boy Friend" is a satire on the etiquette book, disguised in this case under "The Book of Charm," and offers Bell dozens of opportunities for the display of his particular brand of humor.

Marceline Day and John Harron have the leading roles, and Walter Tennyson, Gertrude Astor, Elizabeth Patterson, Otto Hocman, Gwen Lee and others are in the cast.

FIRST HARRY LANGDON FEATURE ON WAY

Harry Langdon, First National comedy king, is due to arrive at the State theatre next Thursday in his first feature length comedy, "Tramp, Tramp, Tramp."

With this picture the noted comedian steps into the super-comedy class of Charlie Chaplin and Harold Lloyd.

The story of "Tramp, Tramp, Tramp," is an original with Langdon and one which he has had in mind for some time. It deals with a cross-country walking race.

Joan Crawford plays opposite the comedian. Others in the cast are Tom Murray, Alec Francis, Edwards Davis and Brooks Benedict.
